Diamond Easter Design Project:

The Diamond class had a design project to complete over the Easter holiday, linked to their history unit on Monarchs. The resulting castles were incredible with a wide range of materials used, including; sand, snow, recycled materials, Lego, Gravitrax, natural resources, Minecraft and also edible materials (which were delicious!)

Photographs of the castles will be uploaded to Google classroom shortly for you all to see. Alfie and Millie kindly donated their magnificent cake castle to be shared on Shakespeare's birthday. We added flags and candles and sang Happy 561st Birthday to William!

A huge thank you to the parents/carers for supporting their children with this homework. We hope you enjoyed it as much as the children clearly did!
