Dear Parents and Carers,

Happy New Year and welcome back to the Spring Term. We hope you all had a restful Christmas and enjoyed spending time with family and friends.

It certainly has been an interesting return to school with the icy conditions at the beginning of last week and the storm on Thursday evening! I do hope that everyone is safe and that you have not experienced too much damage.

We sincerely thank you for your understanding, cooperation and support. Your prompt response and flexibility in picking up the children punctually on Thursday was greatly appreciated, and it meant that pupils and staff were able to travel home safely. Thank you also for your patience and understanding with regards to the late openings and the closure of the school on Friday. The safety of all our pupils and staff is imperative to us.

This term promises to be another busy and exciting one, filled with new learning opportunities and lots of chances for children to grow both academically and personally. Our staff have been working hard to plan engaging lessons and activities that will inspire curiosity, creativity and confidence in all our pupils.

Over the coming weeks, children will be exploring new topics across the curriculum, taking part in enrichment activities and continuing to develop important skills such as teamwork, resilience, and independence.

As always, we are very grateful for your continued support. Working together makes a real difference to the children's success and happiness at school.

We look forward to a positive and productive term ahead. Thank you. Colin Snook.
